Re: Nugget Construction, Inc./Northern Stevedoring & Handling  
Our File No. 45-40

Dear Mr. Lukjanowicz:

I am in receipt of your correspondence dated September 12, 1997. The case law you cite is distinguishable and supportive of Northern Stevedoring's position in this matter. In addition, Nugget Construction had a direct relationship with Northern Stevedoring. We are confident Northern Stevedoring's claim is covered by the Miller Act and the payment bond. Your threat to allege a violation of FRCP 11 is inappropriate.

So as to avoid any technical objection, I am resending my August 29, 1997 letter to Nugget Construction to you and your client by United States registered mail, as an enclosure to this letter.

Very truly yours,

BURR, PEASE & KURTZ
